PARTICIPANT CONTRACT FOR FOOTBALL AND CHEERLEADERS

Welcome to Yreka Chargers Youth Football & Cheerleading Association (CYF)!

Our goal is that your experience with CYF be a fun and positive one. As a member of the CYF organization, there are a few rules and guidelines that you must understand and honor. CYF believes these rules and guidelines will provide a safe, fun and fair 2011 season for every participant.

1. I understand that being a Charger is a privilege and I agree to uphold the high standards of the CYF Association. I will try my best to control myself at all times and to treat others with courtesy and respect, even if it's hard sometimes.
2. I understand that my behavior as a Charger is important both on and off the field, in and out of uniform. During the season, I will respect my teammates at school, in class and around town. If I cannot be friends, I will try to avoid any conflict or trouble because I understand that violates the spirit of my team and will carry over to the field.
3. I agree to follow the instructions and directions of the CYF Coaches without question. I understand that I am part of a team and will always keep the team's needs before my own. I understand that failure to follow direction exactly may result in a safety issue for me or my teammate, and I could be hurt if I do not listen or follow direction.
4. I will encourage my teammate's efforts and never criticize their mistakes. I will always treat opposing teams with sportsmanlike behavior no matter who wins or loses.
5. I promise to be in bed at a reasonable time – no later than 10:00 p.m.- the night before all games, so that I am alert and physically rested on game day.
6. I agree to take care of the equipment that I receive. I understand it is my responsibility to keep track of my equipment and return the equipment at the end of the season or I will not receive my trophy and my parents will have to pay for the lost gear. If I lose gear during the season, I will have to buy new gear and repay CYF.
7. I understand that cussing, disruptive or disrespectful behavior and failure to follow instructions are grounds for my discipline which may include additional physical conditioning at my coaches request; apologizing; not being able to play, up to dismissal from the CYF program.
8. I understand that part of any success also means I have to pay attention in school. I need to attend school, do my homework, turn it in and try hard on tests. I understand that at my parent or coach's request, I may not be able to play at practice or a game if my grades are not passing. I understand Education is key to my success both on and off the field and I am committed to excel both at school and on the football field.

By signing this contract, I promise to abide by these rules and do my best to uphold them.
